

MonaLisa Touch Pre- and Post-Internal Treatment Form

It is important to follow your treatment provider's instructions before and after treatment.

Pre-Treatment Recommendations: Patient

- Shower or bathe the morning of treatment, so that the area to be treated is clean.
- Clip or trim long pubic hair as advised by your clinician
- Understand and sign a Consent to Treat form

Post-Treatment Instructions

- Schedule follow up visits as recommended by your treatment provider.
- Refrain from vaginal sexual activity for 48 hours after treatment.
- Most patients resume normal activity as tolerated immediately after procedure.

Other instructions:

If you have any questions about these instructions or the procedure, please contact your physician.
